APS Publisher Online Package

Purchase a banner ad on the 14 APS journal websites for \$48,033/year. Cannot be combined with another offer or promotion.

Issuance/Closing Dates

Physiological Genomics (PG) is published online twice monthly.

Journal of Applied Physiology (JAPPL) is published monthly and mailed in polybags. *JAPPL* is also published online twice monthly. Issues close 35 working days preceding the first day of the issue month.

Journal of Neurophysiology (JN) is published monthly and mailed in polybags. *JN* is also published online twice monthly. Issues close 35 working days preceding the first day of the issue month.

American Journal of Physiology (AJP consolidated) is printed monthly. The 7 specialty journals are published online, twice monthly. *AJP consolidated* is mailed in boxes. Issues close 35 working days preceding the first day of the issue month.

Physiological Reviews (PRV) is published quarterly (January, April, July, October) and mailed in polybags. Issues close 35 working days preceding the first day of the issue month.

Physiology is published bi-monthly and mailed in polybags. Issues close 35 working days preceding the first day of the issue month.

Advances in Physiology Education is published online first 4 times a year (March, June, September, December), with an annual compilation print issue in December, and mailed in polybags. December issue closes approximately October 15th.

The Physiologist Magazine is published bi-monthly (January, March, May, July, September, November) and mailed in polybags. Issues close 35 working days preceding the first day of the issue month.

News Update ads are due by the 20th of the month prior to the issue month.

Ads for each journal's website are due 7 days prior to insertion.
